SECTION VIII: STUDENT AGREEMENT

The renting pilot is responsible for the safe and conscientious operation of the aircraft until it is returned and securely tied down at FAC Aviation facilities. The following company aircraft rental policies and conditions apply to each flight.

I, the renting pilot, agree:

1. To operate in accordance with all applicable FAA, federal, state, and local regulations.
2. Not to use the aircraft for flight instruction to any individual, unless I am an authorized FLAV Instructor on a specified dual training flight.
3. To land only at FAA designated airports that are safe and suitable under the prevailing conditions. Operations on turf runways are not approved without explicit prior approval from FL Aviation Center flight instructors or management.
4. Not to authorize or allow any other person to operate or handle the aircraft.
5. To telephone FL Aviation Center if I am unable to return the aircraft at the agreed time for any reason.
6. To pay any landing fees, tie down fees, or any other charge incurred by me while the aircraft is in my possession.
7. All over-night/multi-day rentals must have prior approval.
8. To pay a minimum charge of three hours for each day that the aircraft is in my possession, unless prior approval is acquired from management.
9. To report all accidents or incidents, major or minor, to FL Aviation Center at once, together with the names and addresses of witnesses and involved parties. In the event of an accident I will not permit the aircraft to be moved unless expressly authorized by FL Aviation Center management or local, state, or federal authorities and will do all that I can to protect the aircraft and its equipment from further loss.
10. Aircraft rental charges are based on an hourly rate charged to the nearest one-tenth (0.1) of an hour. I will maintain a credit card on file in the Schedule Pointe dispatch system, and agrees to be personally responsible for any payments and charges due FL Aviation Center, including late fees of 5% per month and any and all collection costs.
11. To obtain weather reports and forecasts, to utilize flight following for all cross-country flights, and to use the aircraft only for this purpose and over the route specified.
12. Should I need to purchase fuel for the aircraft, I will have it credited against my rental invoice for the amount of my purchase or the current FL Aviation Center reimbursement rate, whichever is less. I understand all purchases must be documented with an original receipt at the time the aircraft is returned.
13. To see that the aircraft is securely tied down in a proper area, master and ignition switches off, controls secured, and doors locked.
14. To remain current in each aircraft I fly in accordance with FARs.
15. To accept and abide by the current no show policy of FL Aviation Center. Specifically, I will arrive on-time and be prepared for each scheduled rental or lesson. Failing to arrive for a lesson will result in a minimum charge of one hour at the current aircraft and flight instructor's billing rate, if applicable. Failing to be prepared for a scheduled lesson may result in training exceeding the time estimates provided for the course of study.
16. To pay all sales and uses taxes in accordance with state laws.
17. Not to either perform or authorize any repairs or adjustments, nor make any purchases in relation to the aircraft without authorization from FAC management.

18. To accept liability for any damage done to the aircraft while in my possession.
19. Not to smoke in the aircraft. If found to be in violation of FLAV's non-smoking policy, I forfeit all privileges as a FLAV customer.
20. To maintain aircraft security and cleanliness by following the checklist (i.e.: electrical switches, fuel selector valve, control-lock, proper tie-down, locking all doors and installing pitot tube cover and removing all trash from the flight deck after each flight.) If found in violation of FLAV's security and cleanliness policy I agree that I may be charged for associated cleaning or repairs.
